

Dignus Medical is a recruitment company that specialises in recruiting physicians and health service managers. We are specialists in the recruitment of physicians and managers for permanent positions. Our activities focus mainly on the public health sector but we cover and work within the private health sector too. We work across a broad spectrum of specialisations, covering inpatient care as well as primary care and psychiatry. We are parties to a number of framework agreements relating to both the staffing and recruitment of specialist physicians.

In close co-operation with our partner in Australia we are now seeking:

## NEW OPPORTUNITIES IN AUSTRALIA!

# GENERAL PRACTITIONERS TO PERMANENT POSITIONS IN QUEENSLAND AND NEW SOUTH WALES

### Have you considered working in Australia?

Many medical professionals have taken the step and moved to Australia to enjoy the endless benefits of working in this country. At present there is a demand for Scandinavian trained Doctors to come and work here with numerous opportunities country wide.

If you like the thought of living by the beach or countryside in an all year round warm climate with a secure income then Australia is the country for you. Australia boasts some of the best lifestyle living alongside high earning potential and is among the best countries for practicing quality medicine. Instant fellowship recognition can be obtained if you are a member of the Royal College of General Practitioners.

### Taking that step to come to Australia is not as hard as you may think!

In fact if you have decided that you would like to make the move to this fantastic country then the hard part is already done. Dignus Medical with partners will assist and provide you with:

- A secure job
- Visa application & advice for you and your family
- Qualification recognition with the Australian Medical Association
- Application for practice licenses
- Advice and full support
- A home and vehicle to get you started
